In 2006-07, the department will incur increased costs to maintain current services, such as negotiated labor agreements, retirement, risk management, central computer and inflationary services and supplies purchases; and will incur decreased costs in worker's compensation. These costs are reflected in the Change From 2005-06 Final Budget column, along with changes related to other department recommendations.

In 2005-06, revenue was budgeted for a Board-approved program that is now administered through a separate special revenue fund.

Although grant revenue is deposited in a variety of other special revenue funds overseen by the Law & Justice Group, the overall success of this effort is reported below:
